

## Healthcare Facilities Security

Security concerns at health care facilities present a unique challenge to the industry today. The mere fact that a varied group of individuals has access to and make up the health care environment is, in and of itself a daunting task for security experts. When you consider the security needs of patients, the staff, visitors, physicians, vendors, accessibility to drugs, valuable surgical equipment and hospital property, they all call of for one common denominator ...security officers.

*25 Years of Experience You Can Count On!*

The presence of a uniformed security officer when you enter the premises of a health care facility is your first line of contact for safety. Prince Security Services has been a leader in providing uniformed security guard services to some of the most well respected health care facilities and nursing homes in the Washington Metropolitan area for over 25 years. Accordingly, we are keenly aware of the needs and challenges required to provide security to health care facilities. Our security guards are well trained and quick to respond in a positively professional manner to all types of health care situations. You can depend on us to also provide the following services:

- Conduct foot and vehicle patrols
- Promptly responding to emergency situations, such as fire, water, electrical, and follow up actions
- Unlock doors for deliveries from vendors
- Assist with the security of ambulance or emergency deliveries as needed
- Assist staff with emergency entry and/or exit doors as needed
- Complete log reports and incident reports daily and submit to the designated person or management
- Monitor visitor traffic in parking area, enforce handicapped parking rules
- Direct smokers to designated areas
- Assist with the evacuation process in case of emergency
- Assist with the evacuation process in case of emergency Respond to report of bomb or other treating incidents as directed
- Investigate suspicious packages, taking all necessary precautions
- Conduct rounds on all floors checking with charge nurse
